Dr. Chaim Weizmann Being
Talked About As
President

By J. L. Pearlman
(I. N. S. Staff Correspondent)
NEW YORK, Dec. 30.—(INS)—Palestine's most fateful year and one of its most turbulent—since British rule began three decades ago—has just ended.

But the year of its greatest test is just beginning. The Zionist dream, at least in part, has been realized.

The United Nations has decided to split the Holy Land into separate Jewish and Arab states.

Dr. Chaim Weizmann, world-famous Zionist leader, already is being talked about as the first president of the new "Judea," or the new "Israel."

But violent birth-pangs have accompanied the talk and plans for the projected new states. The ancient Holy Land, which rarely has been free of crucial troubles, now faces what may be its gravest crisis.

The anticipated Arab-Jewish explosion has materialized. Since the UN partition vote, protesting Arabs who are opposed to formation of a Jewish state have provoked a wave of riots, disorders, stabbings, shooting, and arson that has taken a toll of hundreds of lives.

The violence has spilled over into neighboring Arab countries.

Arab rioters, disclaimed by some of the more moderate Moslems in Palestine, began a wild orgy of violence Nov. 29, and militant Jewish youth organizations have contributed to the turmoil since.

At year's end, the worst appeared to be over in the opinion of some of the more conservative observers, but others, especially Arab spokesmen, hinted the fight for Palestine is just beginning.

Britain has announced that on May 15 she will give up her Palestine Mandate which the League of Nations approved in 1922. That will be about the time the five-nation U.N. Commission reaches the Holy Land to set the stage for the of-

Flames Destroy
400 Baby Chicks

FOUNTAINVILLE, Dec. 30.—Flames, which were discovered about 10 o'clock Sunday morning, destroyed about two-thirds of a brooder house and burned up 400 little chickens at the farm of Mr. and Mrs. Joseph Harvin, Kings road and Dublin Pike, causing an estimated loss of \$1,000.

A member of the family first saw the flames coming out of the brooder house. Doylestown Fire Company, which reached the scene of the fire first, used chemicals.

Dublin Fire Company, according to Chief Lloyd F. Crouthamel, reported at the scene and used water from the tanks on the apparatus to extinguish the flames.

Chief Crouthamel, who said there was sufficient water carried on one of the engines to quell the blaze, explained the origin of the fire was caused by a brooder stove.

The prompt action of the Doylestown and Dublin firemen saved the chicken house from complete destruction although it was severely damaged.

The building is reported to be insured.

Earl Cressman, Sellersville, has been elected president of the Sellersville Civic Improvement Association to succeed Charles R. Witmer. The election took place at a joint meeting of the association and the Sellersville Kiwanis Club, last week.

Other officers were named as follows: Vice-President, Earl Lutz; secretary, William E. Hill; treasurer, Alvin Gerhart; directors for three years, Russell Raudenbusch, Forrest Yeakel and Earl Moyer; and director to serve the unexpired term of Calvin D. Moyer, Charles R. Witmer.

Mr. Witmer, who is retiring as president, was commended for his efforts in directing the success of the improvement association the past two years, and representing the directors. Earl Lutz presented him a gift.

Mr. Cressman will begin his duties at the meeting next month.

Following the election, Wolcott W. Robinson, Philadelphia, gave an address, "The Last Three Feet."

Donald B. Smith, president of the Kiwanis Club, introduced McDonald Benton Norristown, lieutenant governor of Division 13 of Kiwanis International.

Sponsored by the Ladies' Auxiliary of Hartsville Fire Company, a pleasant social function was held last week at the home of Mrs. Charles Rutherford with Mrs. Thomas Thrane and Mrs. Walter Weiss acting as co-hostesses.

During the luncheon each member was presented a gingerbread man as a favor, and the business session was followed by an exchange of gifts and the singing of carols.

A SUMMARY OF THE NEWS

Henry A. Wallace formally announced last night that he would head a third party and be its 1948 candidate for President. Denouncing Democrats and Republicans with equal vigor, Mr. Wallace pledged his new party to "a positive peace program of abundance and security, not security and war." In Washington, where the announcement created little stir, Senator Taylor of Idaho said he had been asked to be Mr. Wallace's running mate.

President Truman's Air Policy Commission, it was learned, is about to report that by 1953 some other nation may have perfected atomic weapons and planes to carry them for an attack on the United States. This country must start immediately, the report is said to urge, to build around the Army Air Force a defense to discourage a would-be aggressor.

The President's personal physician, Brig. Gen. Wallace H. Graham, was listed with the Democratic Governor of Utah among 99 public employees who had speculated in wheat futures last September. The White House said General Graham "will remain." He explained that he had left all trading to his broker.

Another potential political issue was unveiled by Senator Langer of

One Couple Married Less
Than Four Months Before
Discord Appeared

ONE YARDLEY WOMAN

DOYLESTOWN, Dec. 30.—Three divorce suits, two by wives, the other by a husband, have been filed in the Court of Common Pleas here.

Of the three couples, one was married less than four months before marital discord appeared. Desertion and cruel and barbarous treatment are among the causes listed for the libellants' actions.

Alfred George Martin, Richland township, whose address is Quakertown, RD. 3, has named his wife, Joyce Thelma Martin the respondent in a libel in divorce. They were married October 25, 1941 in Alexandria, Va., by Rev. Ernest E. Spoehr. They separated November 21, 1945. The present address of the respondent is unknown but her last Quakertown address was 1010 West Broad street.

Anthony Wayne Dogoli, 28, Magnolia, Ohio, has been named the respondent in a divorce suit begun by his wife, Jane B. Dogoli, 30, of Yardley. They were married Jan. 11, 1938, in Lambertville, N. J., by Rev. C. J. Farran. The couple separated May 29, 1945, at Creekside, Pa. The libellant avers that her marital troubles began April 15, 1938, slightly more than four months after her marriage to the respondent.

Mrs. Donna C. Bergonzoni, Mechanics street, New Hope, has started a suit in divorce against her husband, Arthur D. Bergonzoni, 115 Harding street, West Newton, Mass. They were married May 1, 1941, in Newtonville, Mass. No date of separation was mentioned.

72 KILLED IN RURAL AREAS OF BUCKS,
LEHIGH, NORTHAMPTON COUNTIES THIS
YEAR, IN MOTOR VEHICLE ACCIDENTS

Five Accidents Are Responsible For 13 of The Deaths—
Increase Over Figures for 1946 Is 36%—24 Additional Meet Death in Motor Accidents in Cities
Of Those Counties

In the rural areas of Lehigh, Northampton and Bucks counties up until midnight December 25th, 72 persons were killed in motor vehicle accidents, according to Captain Charles S. Cook, State Police, C. O. Troop "D" S-4, Pennsylvania State Police, Bethlehem.

For the entire year of 1946, 53 persons were killed in the rural areas of the same counties. With 72 fatalities in 1947, this represents a 36% increase over 1946.

In addition to this, 13 persons were killed in the city of Allentown, three in Bethlehem, three in Easton and five in Whitehall Township, Lehigh County.

This makes a total of 96 persons killed in the three-county area through Christmas day in 1947.

By counties they are distributed as follows:

	City & Rural	Rural
Lehigh	35	17
Northampton	19	13
Bucks	42	42
	96	72

In the rural areas only, of the accidents investigated by State Police, 45 of these fatal accidents occurred in darkness and 27 in daylight.

By January 1st

FOR THE USE OF ALL

DOYLESTOWN, Dec. 30.—Repainting and reconditioning of the Swartzlander Memorial Community Building at the corner of South Main street and Oakland avenue to meet State requirements for a building to be used by the public will be completed by January 1st.

Elmer Cates, who has charge of the future plans and development of the building, told a reporter that "strange as it may seem, there are comparatively very few organizations that have applied to use the building for meetings."

Mr. Cates said that he would like to have many more applications so that when the general interior overhauling and enlargement is made, the necessary improvements and requirements can be provided.

Plans are now being prepared by Architect Fred Martin for changes to the interior. It is planned to make the downstairs meeting room as large as possible by removing certain partitions. Doors are being changed to meet State requirements.

The custodians have ordered folding chairs for the building and these are expected very shortly so that meetings can be held there by January at the latest. The heating

FALLS YOUTH AGAIN
"CAUGHT WITH GOODS"

David R. Winder, 16, Held
at Doylestown; Breaks
Into Airport Office

GLEN MILLS ESCAPEE

"Caught with the goods", a Fallington youth, 16 years old, is now in the juvenile department of Bucks County prison. The youth is an escapee from Glen Mills Reform School, it being stated that he had but six more months to serve. He is awaiting disposition of his case in juvenile court.

The lad is David R. Winder, who was committed to Glen Mills by the Bucks county court after he had burglarized P. VanAken's store at Fallington, and the Morrisville Airport.

Saturday night the State Police sub-station at Langhorne received a telephone call that someone had broken into the Morrisville Airport offices. Two troopers were dispatched to the airport where they caught Winder inside the building.

Trooper Stanley R. Ballat, of the Langhorne detail of State Police, arrested Winder and took him before Justice of the Peace Horace A. Cooper, Langhorne, who directed that he be returned to the juvenile court authorities.

State Police said that Winder escaped from Glen Mills about 19 days ago.

72 KILLED IN RURAL AREAS OF BUCKS,
LEHIGH, NORTHAMPTON COUNTIES THIS
YEAR, IN MOTOR VEHICLE ACCIDENTS

Five Accidents Are Responsible For 13 of The Deaths—
Increase Over Figures for 1946 Is 36%—24 Addi-
tional Meet Death in Motor Accidents in Cities
Of Those Counties

In the rural areas of Lehigh, Northampton and Bucks counties until midnight December 25th, 72 persons were killed in motor vehicle accidents, according to Captain Charles S. Cook, State Police, C. O. Troop "D" S-4, Pennsylvania State Police, Bethlehem.

For the entire year of 1946, 53 persons were killed in the rural areas of the same counties. With 72 fatalities in 1947, this represents a 36% increase over 1946.

In addition to this, 13 persons were killed in the city of Allentown, three in Bethlehem, three in Easton and five in Whitehall Township, Lehigh County.

This makes a total of 96 persons killed in the three-county area through Christmas day in 1947.

By counties they are distributed as follows:

	City & Rural	Rural
Lehigh	35	17
Northampton	19	13
Bucks	42	42
	96	72

In the rural areas only, of the accidents investigated by State Police, 45 of these fatal accidents occurred in darkness and 27 in daylight.

SWARTZLANDER BLD'G
SOON TO BE READY

Work of Reconditioning
Structure To Be Completing
By January 1st

FOR THE USE OF ALL

DOYLESTOWN, Dec. 30—Repainting and reconditioning of the Swartzlander Memorial Community Building at the corner of South Main street and Oakland avenue to meet State requirements for a building to be used by the public will be completed by January 1st, custodians say.

Elmer Cates, who has charge of the future plans and development of the building, told a reporter that "strange as it may seem, there are comparatively very few organizations that have applied to use the building for meetings."

Mr. Cates said that he would like to have many more applications so that when the general interior overhauling and enlargement is made, the necessary improvements and requirements can be provided.

Plans are now being prepared by Architect Fred Martin for changes to the interior. It is planned to make the downstairs meeting room as large as possible by removing certain partitions. Doors are being changed to meet State requirements.

The custodians have ordered folding chairs for the building and these are expected very shortly so that meetings can be held there by January at the latest. The heating

FALLS YOUTH AGAIN
"CAUGHT WITH GOODS"

David R. Winder, 16, Held
at Doylestown; Breaks
Into Airport Office

GLEN MILLS ESCAPEE

"Caught with the goods," a Fallsington youth, 16 years old, is now in the juvenile department of Bucks County prison. The youth is an escapee from Glen Mills Reform School, it being stated that he had but six more months to serve. He is awaiting disposition of his case in juvenile court.

The lad is David R. Winder, who was committed to Glen Mills by the Bucks county court after he had burglarized P. VanAken's store at Fallsington, and the Morrisville Airport.

Saturday night the State Police sub-station at Langhorne received a telephone call that someone had broken into the Morrisville Airport offices. Two troopers were dispatched to the airport where they caught Winder inside the building.

Trooper Stanley R. Ballot, of the Langhorne detail of State Police, arrested Winder and took him before Justice of the Peace Horace A. Cooper, Langhorne, who directed that he be returned to the juvenile court authorities.

State Police said that Winder escaped from Glen Mills about 10 days ago.

Carry Christmas Cheer
To Hospitalized "Vets"

Twelve members of the Chester W. Tercon Post Auxiliary, V. F. W., journeyed by bus to the Tilton General Hospital, Fort Dix, recently and entertained 55 bed-ridden patients.

Each patient received a Christmas package containing pound box candy, deck playing cards, five packages cigarettes, gum, pocket-size books, candy cane, box Christmas cards and postage stamps. Refreshments of ice cream and home-made cakes and cookies were distributed.

AMBULANCE CALLS

Calls received by Bucks County Rescue Squad yesterday were to transport the following: Mrs. Frances Benner, Tullytown, and Mrs. Samuel Cooper, Churchville, to Abington Hospital; Mrs. Martha Erwin, Oxford Valley, to Jeanes Hospital, Fox Chase; and Curtis Ohman, of George School, Newtown, to Naval Hospital, Philadelphia.

MRS. CHILTON, SOLOIST

The Bristol Courier has been advised that it was misinformed regarding the name of the soloist at the Wunsch-Koffey wedding which took place here Saturday. Mrs. Douglas Chilton, Landreth Manor, was the vocalist for the occasion.

Facts To Consider
—BY—
SAMUEL S. PETTENGILL
"The Gentleman from
Indiana"

Did the war reduce Europe's population? No, it has more people. In the past ten years, according to the Population Reference Bureau, Europe has increased in population by 14,000,000.

What has this to do with the Marshall Plan? A lot. A number of the 16 nations in the Marshall Plan are giving bonuses for babies. We are called upon to feed them. Can we, and for how long?

In 1946, these 16 countries had 4,398,000 babies who survived to age one. Using wheat as a yardstick of food, it would take 920,000 acres of land to grow the minimum food for one year's lot of new Europeans. That equals the total crop land in New Jersey.

If in the next four years, the European crop of "cannon fodder" continues to increase at the same rate, it would take 18,200,000 acres to adequately feed these children from one to four years old. That is as much crop land as there is in California, our second largest state. This is for children alone. It does

King Michael of Romania Abdicates

Bucharest—Young King Michael of Romania abdicated his throne today. Announcement of the abdication was made in a broadcast.

(Editor's note: Romanian exile sources in Paris said that information regarding the abdication had come from origins which in the past have been reliable. They said the report, however, must be accepted with reserve pending confirmation.)

(Further information from Paris quoted Michael's proclamation as stating he believed that changes should be made in the Romanian constitution and that he did not wish to stand in the way of the will of his people.)

The broadcast added that a "People's Democratic Government" has been established.

I. J. HETHERINGTON
IS NAMED TO SIT IN
BOROUGH COUNCIL

New First Ward Member
Will Succeed William
H. H. Fine

PLAN REORGANIZATION

New Council to Organize at
Meeting To Be Held
January 12th

A new councilman was selected last night to fill the vacancy created by the resignation of William H. H. Fine who is to become tax collector on January 1st. The new representative from the first ward is I. J. Hetherington. Mr. Hetherington is a well known Bristolian and has been active in various activities here, except for a period of time when he resided in Baltimore. He is very active in American Legion circles.

He will serve for the unexpired term of Mr. Fine. In selecting Hetherington the councilmen had two candidates to choose from. William J. Strobel's name was placed before council by Clarence W. Winter and Hetherington was nominated by S. Joseph Alta. A secret ballot was taken and the vote was 10 for Hetherington and four for Strobel.

Council met in recessed session to complete the business of the year before the re-organization meeting on January 12th. Burgess Jacob C. Schmidt, Sr., and Borough Attorney, John L. Kilcoyne, were present. The absentees were Mitchner, Foster and Conklin.

President of Council, Charles G. Rathke, suggested to council that rather than hold a special meeting next month to organize that the newly elected councilmen be summoned to take their oath at 7:45 on January 12th and that the re-organization meeting be held immediately thereafter and this to be followed by the regular meeting of the new council. The suggestion met with approval.

John H. Wicher, chairman of fire committee, reported to council that the representative of the Eureka Fire Hose Company had submitted an incorrect price in its bid for ladders for the fire truck which was approved at the last meeting of council. He asked that the bid be rejected and that new bids be advertised for by council. This was approved.

Louis C. Spring, chairman of Bristol Borough Recreation Board, submitted the annual report of the Board which was approved and ordered filed. Upon the recommendation of Borough Treasurer, Harold F. Hunter, council voted to transfer \$4000 from the general fund to the sinking fund of the borough.

A SUMMARY OF THE NEWS

Henry A. Wallace formally announced last night that he would head a third party and be its 1948 candidate for President. Denouncing Democrats and Republicans with equal vigor, Mr. Wallace pledged his new party to "a positive peace program of abundance and security, not security and war." In Washington, where the announcement created little stir, Senator Taylor of Idaho said he had been asked to be Mr. Wallace's running mate.

President Truman's Air Policy Commission, it was learned, is about to report that by 1953 some other nation may have perfected atomic weapons and planes to carry them for an attack on the United States. This country must start immediately, the report is said to urge, to build around the Army Air Force a defense to discourage a would-be aggressor.

The President's personal physician, Brig. Gen. Wallace H. Graham, was listed with the Democratic Governor of Utah among 99 public employees who had speculated in wheat futures last September. The White House said General Graham "will remain." He explained that he had left all trading to his broker.

Another potential political issue was unveiled by Senator Langer of

North Dakota, who asked the Attorney General to investigate alleged pressure for campaign contributions on Federal employees in Kansas.

The Republican anti-inflation bill President Truman had intended to sign "reluctantly" was not signed because it had mysteriously disappeared. A copy was rushed by air to Speaker Martin in Massachusetts for signature and return to Washington in time for Presidential approval before midnight tonight. Senator Taft accused the President of "playing all the politics he can with high prices."

Greek guerrilla forces broke into the outskirts of Konitsa. American authorities expressed confidence that the "Free Greek" junta would be overthrown but London sources felt that at least a token United States force should be sent to Greece. Greece charged Yugoslavia in the United Nations with having violated resolutions prohibiting aid to guerrillas and warmongering.

London heard reports that Russia was suffering serious shortages in foods and that prices had soared since devaluation of the ruble and the end of rationing. The New York Times received a protest from a Russian engineer on its recent comparison of living costs in Russia and the United States.

NOT THE ANSWER

Ewan Clague, head of the Bureau of Labor Statistics, has told a Congressional committee that the cost of a "modest but adequate" living for an American family of four, as of last June, ranged between \$3,004—why not \$3,003 or \$3,005?—a year in New Orleans and \$3,458—why not \$3,457 or \$3,459?—in Washington, D. C. He added that since then prices have gone up 4 per cent.

These figures have been seized upon by Emil Rieve, administrative chairman of the CIO full employment committee, as proof that present industrial wages are too low. He says that workers employed 40 hours a week, 50 weeks a year, would have to make from \$1.50 to \$1.75 an hour to earn such annual incomes—but "present gross average earnings in manufacturing industries are only \$1.25 an hour." Besides, he says, millions of family heads do not work every week because of layoffs and illness.

Rieve is evidently right to this extent: A worker who gets no more than the gross average wage in manufacturing industries cannot provide a family of four a "modest but adequate living." But the implied conclusion—that raising wages would solve the problem—is open to question. The "first round" and the "second round" of post-war wage increases did not do it. Neither will a "third round."

The evidence is everywhere that wage increases, unless they represent greater production, only cause inflationary price rises. Clague showed what happens when he said that the cost of supporting an average family rose \$431 in New Orleans and \$473 in Washington between March, 1946, and June, 1947. The increases amount to 16 per cent and would be approximately 20 per cent today. They came while wages were rising.

Some day, everyone hopes, every American worker will be able to support his family in comfort. But trying to achieve that goal by raising pay rates now will not work. Some will be helped temporarily but more will be hurt—and in the long run inflation benefits no one.

UNEMPLOYMENT CHISELERS

Some states, in recent months, have been having trouble with chiselers on the unemployment compensation rolls. Pennsylvania is reported to have been defrauded of \$500,000 during the past year through faked claims and overpayments. One Maryland county, not long ago, reported a purge of its compensation rolls.

It is too bad that so much time and money, which might otherwise be applied to better use, must be spent checking up on chiselers. But as long as the government gives away money, and as long as there are people who will try to get something for nothing (and this will probably be as long as the human race lasts) it will be necessary to surround jobless payments with many safeguards.

Of these persons killed, 30 were motor vehicle operators, 22 were passengers and 20 were pedestrians. Main roads on which most fatalities occurred: U. S. 611, 9; U. S. 1, 9; U. S. 309, 7; U. S. 22, 4; U. S. 13, 5; Penna. 100, 2; Pa. 702, 2; Pa. 115, 2; Pa. 232, 2.

The remainder are widely scattered on other county-township and state roads.

Thirty-four fatal accidents occurred on U. S. Routes 611, 1, 309, 22 and 13.

Through Christmas day, 1947, State Police investigated 1327 accidents.

One person was killed in the rural areas for each 18½ reported accidents. The national average is one person killed for each 25 reported accidents.

The cause for the fatal accidents investigated by State Police are as follows: Speeding, 20 deaths; careless pedestrian, 14; on wrong side of road, 12; failure to yield right of

way, 5; reckless driving, 4; drunk driver, 3; lost control, 1; hit and run, 1; defective equipment, 1; unknown, 1; no improper driving, 1.

One thousand one hundred and four persons were injured in reported accidents in the rural areas of Bucks, Lehigh and Northampton counties.

The total property damage in these accidents is \$501,229.00. This is only physical damage to vehicles and other property and of course does not include doctor and hospital bills, loss of time, salary, and mental and physical anguish and pain or other economic losses.

A total of 5835 arrests were made in the three county area by State Police for violation of various sections of the Motor Vehicle Code for the period from January 1, 1947 to November 30, 1947.

Of these arrests 98.82% were convictions. Four thousand nine hundred and twenty-five operators were Pennsylvania residents and 910 operators were foreign state residents.

The most numerous violation is excessive speed for which 1616 arrests were made or 27.7% of all arrests. Improper passing was second with 1022 arrests or 17.5%. Stop sign violations were third with 981 arrests or 16.8%. Reckless driving was fourth with 521 arrests or 8.9%. All others total 1699 arrests or 29.1%.

For the first eleven months of 1947 11,608 new operators were examined for operator's license.

A total of 9344 passed their examinations, 1968 failed and 296 were rejected for physical handicaps.

Turbulent Year Leaves The Holy Land Bleeding, Fearful

Continued from Page One

Official inauguration of the Arab and Jewish states.

Britain also is planning to withdraw her troops—about 100,000—by next August.

The UN has yet to set up machinery to keep peace in the Holy Land and the period beginning in May is expected to be an extremely delicate one.

There have been reports and talk that some of the Arab League states—which have just concluded an anti-partition conference in Cairo—may send troops into Palestine as soon as the British withdraw. However, none of this can be confirmed.

The Arab League has called on Arabs to get ready for "the struggle" and secrecy is the watchword.

No one knows, outside of perhaps a few Arab leaders, what 1948 holds in store for Palestine.

The Arabs in Palestine would certainly need outside aid in event of a full-scale civil war.

Palestine Arabs are loosely organized into youth organizations of semi-military nature with a strength of about ten thousand, compared with the 70,000 men and women, Haganah, the Jewish militia, can muster.

The more militant but far less powerful Irgun Zvai Leumi and the fanatical but small Stern Gang could contribute another few thousand fighters in the event of a showdown.

The developments that led up to the present state of affairs came rapidly in 1947.

British-sponsored efforts to bring Jews and Arabs together in conferences at London failed.

Then the British limited Jewish immigration to Palestine to 1,500 monthly and the Jewish Underground began retaliating with attacks against the British.

While the British halted immigration ships, interned unauthorized immigrants, staged mass arrests of Underground leaders, and placed part of the Holy Land under martial law; the Jews bombed oil pipelines, British army camps, police stations and committed other mayhem.

The Underground even staged a prison break at Acre in which 251 Jews and Arabs were freed.

In April, the British turned to the UN for a settlement. A UN

committee was sent to Palestine to study the situation and make recommendations in June. The committee's partition recommendations were made public two months later, with Arabs boycotting its Holy Land hearings.

At the end of November, the UN assembly, led by the United States and Russia, made its decision to go ahead with partition plans.

The chief features of this partition plan are:

After the British mandate termination and troop withdrawal—by August 1, 1948—a Jewish and Arab state, and the enclave of Jerusalem will be formed. October 1 is the deadline for this.

The proposed Arab state has an area of 4,500 square miles, and 804,000 Arabs and 10,000 Jews.

Roughly, it includes most of northern Palestine, except the coastal stretch between Haifa and all-Jewish Tel-Aviv. Arab Jaffa will be part of the Arab state.

The Arabs also were given a part of the southern coast from a point south of Haifa to the Egyptian frontier, about fifty miles in length.

The Jewish state has an area of 5,500 square miles, and 397,000 Arabs and 538,000 Jews. Its general area consists of the northern coastal plain and the vast Negeve desert section in the South.

The UN committee will appoint a provisional council of Government for each state, recruit militia to maintain order, and arrange constituent assembly elections. It also will draft a plan for an Arab-Jewish economic union.

not count Europe's grown-ups and old people.

Meantime, our population has been increasing at about the same rate. Add the expected European children to our own children and you see trouble ahead. Wheat is, in fact, a minimum yardstick to measure calories. Small children can't eat wheat gruel all the time. They need milk, and cows make greater demands on acreage than wheat—both summer pasture and hay and grain in winter.

Dr. Hugh Bennett, chief of the United States Soil Conservation Service, told Congress we did not have enough good land left in the country for ourselves. That was eight years ago. That was before the war, and before Marshall. Recently, Secretary of Agriculture Anderson has warned: "We continue to drain our soil fertility. We are plowing land in the plains that is sure to be blown away in dust storms."

The Marshall Plan will not send "dollars" abroad. It will send topsoil and our resources of phosphate, potash, iron, coal, petroleum, timber, etc. What about them? With reference to minerals, the Secretary of the Interior reported in 1945: "We have a meager supply. . . . We are relatively weak now." Dr. Elmer Peterson of the Bureau of Mines says: "It follows that the faster we grow in industrial strength and military power, the faster we liquidate the basis of our power."

We are already living on our "capital" of natural resources. In 1943, our timber cut was 50% more than new growth. Lumber is short now. So is paper. We are in sight of the end of our good iron ore and other metals. Fuel oil rationing is also in sight.

In the light of these facts, President Truman's assertion that the Marshall Plan will take only 5% of our total production is misleading. India with her 388,000,000 hungry people—hungrier than Europeans—is already asking to come in under the Marshall Plan. Why not? Then China, with her 470,000,000 hungry people, is next. Congress, in fact, wants China to start sharing now.

If these countries threaten to go Communist unless we feed them, what do we do? Save Europe (if it can be saved) and let Stalin take over Asia?

We have 6,000,000 farms, and a farm population of 30,000,000. Are these 30 million people to feed them-

50 Attend Second Hearing on Zoning

Continued from Page One

sulting service staff in charge of drawing up the proposed ordinance, went over the ordinance, section by section, for the benefit of the 50 attending. Many points brought out last week through queries were again stressed last evening.

After the presentation by Cella, the meeting was thrown open to other questions regarding the proposed draft.

One proposal was for the "Garden Court Apartment" plan in some sections of the township, whereby each apartment unit would be provided with a half acre of ground on the surrounding tract.

The zoning commission's next step is to go over the various proposals in a thorough manner, making a complete review. Before the township supervisors' session is called, the zoning commission will pass on the proposals. Thus when supervisors meet the exceptions will be considered and either granted or refused, the individuals making specific requests being so advised.

The date for the required hearing of the supervisors is yet to be set.

The preliminary report on the proposed ordinance was prepared with the technical assistance of Government Consulting Service, Institute of Local and State Government, University of Penna., Philadelphia.

Lands in Jail Due To Disorderly Charge

DOYLESTOWN, Dec. 30.—Climaxing a brooding feud, a Bucks County Home Hospital orderly, Sylvester Moskowa, 54, on Saturday afternoon became disorderly, and landed in the Bucks County Prison charged with disorderly conduct and surety of the peace.

S. T. Hemmes, 42, chief in the hospital unit of the County Home, and the defendants have not been getting along.

The prosecutor, in his complaint before Justice of the Peace William Wrigley, Edison, said Moskowa tried to strike him with a home-made blackjack.

The blackjack, which was displayed by Justice of the Peace Wrigley, consists of a long wooden handle, with two inches of lead taped to the end. It is about 12 inches long.

The two, who engaged in the tussle, were separated by other employees.

The defendant, who got a little "mussed up" in the fray himself, was held for a further hearing pending an investigation.

Justice of the Peace Wrigley said the two employees have been holding a "grudge" against one another for some time and that the brawl on Saturday afternoon was the result of their ill-will.

SUNDAY DINNER

Suggestions

IT IS customary at the beginning of a new year to make a resolution, to establish some pattern which we hope to live better during the ensuing 364 days.

With the world-wide food shortage, advises the A & P Service Home-Makers, every housewife might resolve during the new year to acquaint herself with the best methods of food conservation.

There's more enjoyment and satisfaction to be had from cooking than in simply reading and obeying a recipe. The expert makes a stew of foods, how they behave under different methods of preparation.

Several simple rules if followed closely throughout the year will save many dollars and many pounds of valuable food in every kitchen.

Of extreme importance in economical cooking is a close watch on cooking temperatures. This is especially true in preparing meat and poultry. Burned pastry and meat shrunk through overlong cooking represent avoidable waste.

Use more care in the cooking.

vegetables. Remember baked

long boiling removes many of health-giving minerals. Try wa

eggs cooking in a heavy-walled pot, tightly lidded to hold the steam and moisture produced by the water. If you do this, the water-soluble vitamins are lost.

Many vegetables are best eaten raw with all their values intact. A wise cook will remember this and apply it through the use of salads and side dishes.

Don't overlook soups, unusual desserts, beverages and appetizers. Well rounded diets and plans are made to make use of the wide variety of foods you and your family may relish if you tried them.

For the first Sunday dinner happy new year try Yankee

roast with potato pancakes, in
 carrots and peas, a tossed green
 salad, and for dessert, ice cream
 coffee.

TWO RECORDS FALL AS FALLS ALUMNI DEFEATS CROYDON

Two season records were shattered last night on the high school floor as the Falls Alumni quintet routed the Croydon Vets, 66-32, in a lop-sided game.

"Freddie" Briegle broke the first record when he hit the cords for 13 field goals or 26 points, five more than the previous record of 21 made by "Angle" Everitt, of Rohm & Haas, last week.

The 66 points scored by the Alumni team was 12 more than scored by the Profy team earlier in the season. Incidentally, the 54 points scored by Profy was against the Falls boys.

The Alumni lads made 46 points in the second half of their game as at half-time they held but a 20-14 lead. Four field goals in rapid succession by the veteran Briegle put the Alumni aggregation far ahead in the third period and made a run-away of the contest.

"Tommy" Forte and "Benny" Samsel led the losers with 15 and 12 counters, respectively.

It was the third straight win for

the Orange and Black and placed them in a deadlock for third place.

SAN JUAN—(INS)—Puerto Rico's insular government is starting a new slum clearance program independent of U. S. aid as a new step toward solving one of the toughest housing problems in the Americas. Hulmeville Man's Car Is 1 of 3 Struck by Hit-Run

The automobile of a Hulmeville man was one of three damaged by a hit-run driver in North Philadelphia yesterday. Two of the drivers gave chase, but were unable to apprehend the operator of the tractor-truck said to be involved.

The truck crashed into the automobile of Robert Corrigan, of Hulmeville and Loretto, this accident occurring at Broad and Berks street, as Corrigan was waiting for a traffic light to change, according to police. The driver of the truck sped along Broad street as Corrigan left his car to examine the damage.

The hit-run driver, making a left turn into Jefferson street, narrowly missed other machines as Corrigan gave chase. The truck was then involved in another crash at 5th and Jefferson streets, striking the automobile of James R. Colley, Easton. The truck driver was then approached by Colley and Corrigan, but sped away again, striking a traffic signal then hurtling across a portion of the street and into the car of Robert Reiss, of N. Fifth street, Philadelphia. Continuing on his way he again outdistanced Colley and Corrigan.

Riding in the car of the Hulmeville man were his wife; his mother, Mrs. John F. Corrigan, Jr., and his grandfather, John F. Corrigan, Sr., Hulmeville. They were shaken up

by the impact. Damage to the car is undetermined.

A check is being made of the license number on the truck, which is said to have carried the name of "Pemberton, N. J." on the side. Two men were occupants of the truck, it is stated.

West Chester Can Accept Elementary Students Now

WEST CHESTER, Dec. 30.—Beginning with the second semester of its school year, next month, West Chester State Teachers College will give special preference to prospective new students who seek admission to elementary education curriculum courses.

Authorities have revealed that, despite the college's top enrollment of 1,781 students—highest in its history—ways and means will be found to accommodate "a substantial number" of elementary education students.

Commenting on this announced policy, President, Charles S. Swope, said today that "we consider it an important professional obligation to

alleviate the elementary teacher shortage in our public schools by undertaking to train more students for this branch of teaching."

Dr. Swope has called on high school superintendents and guidance counselors over a wide area to help the college in its recruiting campaign by "encouraging promising high school students with the requisite personal and academic qualities to consider elementary teaching as a possible career."

In pointing out that preference will be given to candidates for the elementary education field, Dr. Swope admitted that "a limited number" of secondary education students may be accepted also, but he emphasized that exceptional stress will be placed upon securing more elementary students.

The current semester ends January 17, and registration for the new semester begins January 20, continuing through the 21st. Classes will start on the 22nd. Between semesters, the Mid-Year Commencement will take place, at which time approximately 50 seniors will be graduated.

West Chester Can Accept Elementary Students Now

WEST CHESTER, Dec. 30—Beginning with the second semester of its school year, next month, West Chester State Teachers College will give special preference to prospective new students who seek admission to elementary education curriculum courses.

Authorities have revealed that, despite the college's top enrollment of 1,781 students—highest in its history—ways and means will be found to accommodate "a substantial number" of elementary education students.

Commenting on this announced policy, President, Charles S. Swope, said today that "we consider it an important professional obligation to

alleviate the elementary teacher shortage in our public schools by undertaking to train more students for this branch of teaching."

Dr. Swope has called on high school superintendents and guidance counselors over a wide area to help the college in its recruiting campaign by "encouraging promising high school students with the requisite personal and academic qualities to consider elementary teaching as a possible career."

In pointing out that preference will be given to candidates for the elementary education field, Dr. Swope admitted that "a limited number" of secondary education students may be accepted also, but he emphasized that exceptional stress will be placed upon securing more elementary students.

The current semester ends January 17, and registration for the new semester begins January 20, continuing through the 21st. Classes will start on the 22nd. Between semesters, the Mid-Year Commencement will take place, at which time approximately 50 seniors will be graduated.

OFFICIAL RULES

SENSATIONAL \$135,000 KAISER-FRAZER CONTESTS

It's simple to enter this contest! No purchase necessary.

HOW TO ENTER

- Go to your nearest Kaiser-Frazer dealer and ask for a free combination contest registration and entry blank. Fill out the registration portion and leave it with your Kaiser-Frazer dealer.
- Print your name and address plainly on the official entry blank portion. Then in 25 words or less complete this statement—"New Kaiser and Frazer cars appeal to me because..."
- Send your entry on the official entry blank to: KAISER-FRAZER CONTEST, P. O. Box 99, New York 9, N. Y.
- These contests are limited to persons 18 years or older living in the continental United States, excepting employees or members of the immediate family of employees of the Kaiser-Frazer Corporation, its advertising agencies, its dealers and distributors.
- All entries must be the original work of the contestant, submitted in his own name. Prizes as listed elsewhere in this advertisement will be awarded on the basis of originality, sincerity and aptness of thought. In case of ties, duplicate awards will be made. The decision of the impartial judges, The Reuben H. Donnelley Corporation, will be final. All entries become the property of the sponsor and none can be returned.
- There will be eight contest periods with identical prizes for each period. Entries received during the first seven contest periods will be eligible for prizes awarded in the period during which they are received. Entries for the final contest must be postmarked before February 21, 1948. Winners will be notified by mail. A list of winners will be mailed to all contestants at the close of each contest.

NEW AIR SQUADRON FOR ALASKA

IN PREPARATION FOR THE first mass operation of jet aircraft in the Arctic, the U. S. Air Force's 94th "Hat-In-The-Ring" Squadron, has reached Ladd Field, Fairbanks, Alaska. The squadron is equipped with P-80B "Shooting Stars." Three of the planes, under the command of Lt. Col. Donald Hillman, Seattle, are pictured above. The P-80B features greater firepower; has enclosed radio masts and is more resistant to damage than previous types. U. S. Air Force photo. (International)

plant in the main building is satisfactory and will not have to be changed at this time.

The stone, two-story garage building in the rear of the main house, will be developed for children's groups, but a new heating plant is necessary in this building.

The maintenance custodians of the building and property—Edward M. Crouthamel and wife—have moved into quarters in the main building, where they will reside. The quarters are located in the rear of the first and second floors.

The Swartzlander residence was bequeathed by the late Rebecca Hart Swartzlander, to the community at large in memory of her father, John Hart, for many years a well known banker, and of her mother, Grace V. Hart. The will provided for maintenance of the property from the interest derived from that part of the estate including the building. The building was left for the general use, benefit or welfare of the public, or of the community of Doylestown, but under no circumstances and at no time—the will directs—shall there be any distinction, restriction or discrimination in use by reason of race, color or creed of any such person or object.

"We certainly hope that more organizations or individuals interested in using the building, will get in touch with us immediately," Mr. Cates said this morning. His office is located in the Doylestown Trust Company Building.

Party Marks 8th Natal
Anniversary for Girl

A birthday party in honor of her eighth anniversary was given Joyce White, daughter of Mr. and Mrs. William White, on December 23rd, at the home of her parents, Jackson street. The color scheme was in keeping with Christmas.

A large birthday cake in the form of a Christmas tree made the centerpiece for the table, and favors were little snowmen made of marshmall-

lows. Games were enjoyed by the children and prizes given, after which refreshments were served to the following guests:

Kay McConomy, Mary Jane Coffee, Barbara Werline, Ellen Duffy, Carol Nichols, Barbara Choma, Elaine Hibbs, Patricia, Polly Gills, "Bilby" Brady, Mary Lou Nichols, Shirley Abrams, George Vandenberg, Edward Rockney, Linda Florio, Mary Susan Krings, Sharon White, Diane Hinkley and Carol Ann Phillips. Joyce received many gifts.

NEW AIR SQUADRON FOR ALASKA

IN PREPARATION FOR THE first mass operation of jet aircraft in the Arctic, the U. S. Air Force's 94th "Hat-In-The-Ring" Squadron, has reached Ladd Field, Fairbanks, Alaska. The squadron is equipped with P-80B "Shooting Stars." Three of the planes, under the command of Lt. Col. Donald Hillman, Seattle, are pictured above. The P-80B features greater speed; has enclosed radio masts and is more resistant to damage than previous types. U. S. Air Force photo. (International)

plant in the main building is satisfactory and will not have to be changed at this time.

The stone, two-story garage building in the rear of the main house, will be developed for children's groups, but a new heating plant is necessary in this building.

The maintenance custodians of the building and property—Edward M. Crouthamel and wife—have moved into quarters in the main building, where they will reside. The quarters are located in the rear of the first and second floors.

The Swartzlander residence was bequeathed by the late Rebecca Hart Swartzlander, to the community at large in memory of her father, John Hart, for many years a well known banker, and of her mother, Grace V. Hart. The will provided for maintenance of the property from the interest derived from that part of the estate including the building. The building was left for the general use, benefit or welfare of the public, or of the community of Doylestown, but under no circumstances and at no time—the will directs—shall there be any distinction, restriction or discrimination in use by reason of race, color or creed of any such person or object.

"We certainly hope that more organizations or individuals interested in using the building, will get in touch with us immediately," Mr. Cates said this morning. His office is located in the Doylestown Trust Company Building.

Party Marks 8th Natal
Anniversary for Girl

A birthday party in honor of her eighth anniversary was given Joyce White, daughter of Mr. and Mrs. William White, on December 23rd, at the home of her parents, Jackson street. The color scheme was in keeping with Christmas.

A large birthday cake in the form of a Christmas tree made the centerpiece for the table, and favors were little snowmen made of marshmallows.

Games were enjoyed by the children and prizes given, after which refreshments were served to the following guests:

Kay McConomy, Mary Jane Coffee, Barbara Werline, Ellen Duffy, Carol Nichols, Barbara Choma, Elaine Hibbs, Patricia, Polly Gills, "Shirley" Brady, Mary Lou Nichols, "Billy" Abrams, George Vandenberg, Edward Rockney, Linda Pierce, Mary Susan Krings, Sharon White, Diane Hinkley and Carol Ann Phipps.

Joyce received many gifts.

Luncheon, Reception Are In Honor of 50th Anniversary

SELLERSVILLE, Dec. 30 — A luncheon and reception which occurred here last week were in honor of Mr. and Mrs. Charles Hoot, who were observing their 50th wedding anniversary. The celebration took place at the home of their son-in-law and daughter, Mr. and Mrs. Harry Westlake.

More than 125 friends and relatives visited the Westlake home to extend felicitations and best wishes to the honored couple. Many attractive gifts were received by the couple.

Mr. and Mrs. Hoot were united in marriage at Summerville, N. J., by the Rev. William Fox. The ceremony was performed at the home of the bride. They resided in Montgomery county until 1914 when they became residents of this borough where Mr. Hoot conducted a cigar factory for many years. In recent years he operated the woodworking and cabinet shop at his home.

Today's Quiet Moment

By the Rev. Samuel Gaskell
Pastor
Tullytown Methodist Church

Eternal Father, strong to save; help us to see that Thy Grace is sufficient for every circumstance. We are too often like the prodigal in the far country, hungry, and homeless; when all the while there is the Father's house abounding with bread. Give us courage in asking, and faith in expecting. "My soul, wait thou only upon God for his expectation is from Him." These favors we pray in Jesus' Name. Amen.

Luncheon, Reception Are In Honor of 50th Anniversary

SELLERSVILLE, Dec. 30 — A luncheon and reception which occurred here last week were in honor of Mr. and Mrs. Charles Hoot, who were observing their 50th wedding anniversary. The celebration took place at the home of their son-in-law and daughter, Mr. and Mrs. Harry Westlake.

More than 125 friends and relatives visited the Westlake home to extend felicitations and best wishes to the honored couple. Many attractive gifts were received by the couple.

Mr. and Mrs. Hoot were united in marriage at Summerville by the Rev. William Fox. The ceremony was performed at the home of the bride. They resided in Montgomery county until 1914 when they became residents of this borough where Mr. Hoot conducted a cigar factory for many years. In recent years he operated the woodworking and cabinet shop at his home.

In a Personal Way

INTERESTING items of news mainly about people you know. A chronicle of the activities of the people of Bristol; their goings and comings.

To arrange for publication of wedding, telephone The Bristol Courier, Bristol 446, notifying at least a few days in advance the date of ceremony.

Engagement announcements must be submitted in writing.

Today's Quiet Moment

By the Rev. Samuel Gaskell
Pastor
Tullytown Methodist Church

Eternal Father, strong to save; help us to see that Thy Grace is sufficient for every circumstance. We are too often like the prodigal in the far country, hungry, and homeless; when all the while there is the Father's house abounding with bread. Give us courage in asking, and faith in expecting. "My soul, wait thou only upon God for my expectation is from Him." These favors we pray in Jesus' Name. Amen.

FRANKLIN KEEPS
RECORD CLEAN
SCORING VICTORY

The Franklin A. C. team kept its Bristol Youth League record unblemished with a one-sided 60-25 victory over the slipping Celtics on the Mutual Aid court.

"Bill" Wallick, lanky pivot man for the Franklin aggregation, established the season's record in individual scoring with 12 field goals and three fouls for a total of 27 points. "Sticks" Esposito had 12 points for the Franklin streeters.

George Warchol led the losing team in scoring with 10 points.

It marked the fourth straight win for the Franklin team.

KNIGHTS UPSET
FIFTH WARD CLUB

An improved Knights of Columbus contingent upset the Fifth Ward Sporting Club team last night in a Bristol Basketball League game on the high school court.

Led by "Stan" Lelinski and "Joe" Quigley, the newest additions to the K. of C. five, the Radcliffe streeters took the lead early in the game and increased it as the tilt progressed.

Lelinski, erstwhile St. Ann's player, scored 12 of the winners' points while Quigley had 11. But Lelinski was instrumental in getting the ball off the boards and doing some nice passing.

"Vince" Profy stood out defensively for the winners. Plebani and DiTanna were high scorers for Fifth Ward with 11 and 10 points, respectively.

KEYSTONE WINS IN
FINAL QUARTER

Failure to hold a 5-point lead in the final quarter cost the Third Ward Eagles a victory last night as the Keystone Oilers beat the boys from the Pike, 34-30, in a Bristol Youth League game on the Mutual Aid floor.

The Eagles had a 25-20 lead at the start of the last period but wonderful passing and shooting enabled the Oilers to register 14 points while holding the Third Warders to 5.

"Gus" Indelicato paved the way for the Keystone win by scoring four double-deckers in the last session and six for the entire game.

ST. ANN'S WINS

The St. Ann's Parochial School team registered its fourth straight win of the Bristol Junior League by whipping the Harriman Methodist array last night on the Mutual Aid floor. Final score was 28-16.

The Harriman team played its best ball of the season but the St. Ann's youngsters proved too strong and took advantage of an early 11-3 lead to pile up the score.

Mauro and Pica with 10 and 8 points, respectively, led St. Ann's in the win while Bowe had four fielders for the Harriman quintet.

FRANKLIN KEEPS
RECORD CLEAN
SCORING VICTORY

The Franklin A. C. team kept its Bristol Youth League record unblemished with a one-sided 60-25 victory over the slipping Celtics on the Mutual Aid court.

"Bill" Wallick, lanky pivot man for the Franklin aggregation, established the season's record in individual scoring with 12 field goals and three fouls for a total of 27 points. "Sticks" Exposito had 12 points for the Franklin strikers.

George Warchol led the losing team in scoring with 10 points.

It marked the fourth straight win for the Franklin team.

KNIGHTS UPSET
FIFTH WARD CLUB

An improved Knights of Columbus contingent upset the Fifth Ward Sporting Club team last night in a Bristol Basketball League game on the high school court.

Led by "Stan" Lelinski and "Joe" Quigley, the newest additions to the K. of C. Ave, the Radcliffe strikers took the lead early in the game and increased it as the tilt progressed.

Lelinski, erstwhile St. Ann's player, scored 12 of the winners' points while Quigley had 11. But Lelinski was instrumental in getting the ball off the boards and doing some nice passing.

"Vince" Profy stood out defensively for the winners. Plebani and DiTanna were high scorers for Fifth Ward with 11 and 10 points, respectively.

KEYSTONE WINS IN
FINAL QUARTER

Failure to hold a 5-point lead in the final quarter cost the Third Ward Eagles a victory last night as the Keystone Oilers beat the boys from the Pike, 34-30, in a Bristol Youth League game on the Mutual Aid floor.

The Eagles had a 25-20 lead at the start of the last period but wonderful passing and shooting enabled the Oilers to register 14 points while holding the Third Warders to 5.

"Gus" Indelicato paved the way for the Keystone win by scoring four double-digits in the last session and six for the entire game.

ST. ANN'S WINS

The St. Ann's Parochial School team registered its fourth straight win of the Bristol Junior League by whipping the Harriman Methodist array last night on the Mutual Aid floor. Final score was 28-16.

The Harriman team played its best ball of the season but the St. Ann's youngsters proved too strong and took advantage of an early 11-3 lead to pile up the score.

Mauro and Pica with 10 and 8 points, respectively, led St. Ann's in the win while Howe had four fielders for the Harriman quintet.
